Memories

Distance takes us far apart
And darkness marks my today
I have to keep remembering
You're just a thought a way
When the world is too confusing
And times are hard to bear
I pull your precious meaning
Your bright spirit from the air
If I sometimes drift into
A lonely state of mind
I gather up the memories
Of days we left behind
And though you're not beside me
I can tap into my heart and
Draw upon the warmth and love
That lives when we're apart
And with these fond reflections
On the times when you were near
I sense a little bit of what it's
Like to have you here
