You Ask Me If I See You

You ask me if I see you
Since you have gone away
I try to help you understand
I watch over you each day
When you talk to me at night
I hear you say you love me
You will never leave my sight
You cry so many tears for me
They flow upon your face…
Please feel me as I wipe your tears
I want a smile upon your face
Remember our sweet memories
The times we shared with love
Hold on to all your hopes and dreams
I support them from above
Let go of all your fears
God just had other plans for me
Why carry that all these years?
The day I passed is not the day
I made you love me so
Please cherish all the memories made
Before I had to go
Just take the day I passed
And put in a box with care
Now hand the box to God please
For it isn't yours to bear
Please know I'll always love you
As I watch you carry on
And know that I am here with you
For we are never really gone
