

# Emergency Social Services – how we can help

Emergency Social Services (ESS) is a program that can offer support to families who are away from home as a result of an emergency event – supports like lodging, meals, personal services (toiletry items, etc.), and some travel.

If there are family members (including billet families) who are temporarily in Saskatoon to support those hospitalized as a result of the recent bus accident and need help with these kinds of services, please encourage them to contact either Deanna Valentine with the Ministry of Social Services at 306-260-2503 or Georgie Schuring with the Canadian Red Cross at 306-535-1552.
