Area: Provincial
NOVEMBER 2026

Who We Are

Rapid Access Addiction Medicine (RAAM) provides timely access to care for individuals looking to make changes in their substance use.

At the RAAM Clinic, you will be seen by an interprofessional team who work together with you in creating a care plan that fits your unique needs and goals.

RAAM services are short-term. While you are with us, we will connect you to the appropriate community care providers for ongoing care and support.

Substance use conditions are treatable.

The Team

May include:

- Physician
- Registered Nurse/ Registered Psychiatric Nurse/ Nurse Practitioner
- Social Worker
- Addictions Counsellor
- Peer Support Worker

How to Access RAAM

RAAM offers walk-in services, and accepts referrals from the emergency department, and community care providers.

You can call directly to book an appointment or ask your care provider to make a referral.

Photo by Casey Horner on Unsplash

You do not need an appointment to go to the clinic.

The Saskatchewan Health Authority works in the spirit of truth and reconciliation, acknowledging Saskatchewan as the traditional territory of First Nations and Métis People.
