

# Accessing eHealth Viewer Tab in SCM

This will allow SCM Users who have an eHR account to launch the viewer directly from SCM.

1. Once logged in to SCM a new tab labeled eHR Viewer will be visible
2. Click on a patient name to select - eHR viewer tab will become active

The screenshot shows the SCM interface for a patient named SASKATOON, BLADES. The patient's information includes D-1B-01B-01, Med Calc Wt: kg, Ht: cm, and Admit D/T: 01-Jun-2018 02:00. The Visit Status is ADM. The interface has a navigation bar with tabs: Status Board, Orders, Results, Patient Info, Documents, Flowsheets, Clinical Summary, Inbox, eHR Viewer (highlighted with a red arrow), Free Text Fax, and Visit Record. Below the navigation bar is a Patient List section with a dropdown for Department (Pasqua ED) and a View dropdown (01. View All). The Patient List table shows the following data:

Room	Patient	Med Rec	Age	Acuity	Syn ergy	LOS	Chief Complaint	TR	Status	Pt Sts	ACP	Actions	New Orders	Nurse	MD	RES/Student
,, Triage	SER REPORTING, TWO		1y 2m	2	2.4	3816:33			Assess				<input type="checkbox"/>			
,, Triage	SASKATOON, BLADES		41y	2		1499:57	Chest pain - cardiac fea		Assess				<input checked="" type="checkbox"/>			
,, Triage	BOSTON, BRUIN		12y	3		1496:57	Abdominal Pain		Assess				<input type="checkbox"/>			
,, Triage	TEST, BOB		27y			1055:38			Assess				<input type="checkbox"/>			

NOTE: On first login, users will enter their SCM password as well as their eHR username and password. This will link the users SCM and eHR account, and a password will not be required for eHR until their password is expired.

3. Click on the eHR Viewer tab - SCM Reauthenticate window will open
4. Type in SCM password

The screenshot shows a dialog box titled "Carlson, Amy - Reauthenticate Confirm Password". The dialog box contains a lock icon and the text "Reauthenticate". Below this, it says "Reauthenticate for: Carlson, Amy" and "hssprd.local\carlsona2". There is a "UsernamePassword" label above a large text input field. The input field contains "Password" followed by a series of dots. At the bottom of the dialog box, there is a "Need Help?" link, an "OK" button, and a "Cancel" button. The text "Patients First... Safety Always" is visible at the bottom of the input field area.

5. Click on the OK command button – eHR Viewer Login window will open
6. Type in eHR username and password (eHR username must be in all lower case)
7. Click on the OK command button

HERE For assistance please call the eHS Service Desk at 1-888-316-7446'."/>

Please enter your myeHealth credentials to access the eHR Viewer.
