**Re:** Routine Non Invasive Cardiology Services Disruption

## PLEASE POST AND DISTRIBUTE AS WIDELY AS APPROPRIATE

### Key Messages:

- Effective Wednesday March 25, 2020 at 0700hrs, Saskatchewan Health Authority Medical Imaging and Laboratory Departments will be postponing all routine work for noninvasive cardiology in Rural and North Saskatchewan Health Authority facilities, in an effort to reduce the number of patients in our facilities.
- **Messaging for tertiary sites is not included in this bulletin**
- Non Invasive Cardiology staffing will be available for Urgent/Emergent testing.
- All available sites are located in Appendix "A".
- All physicians and care providers will ensure diligence of the process being outlined below to ensure a focus is provided to the most critical of patients under your caring.
  - All tests will continue to use existing requisitions and when appropriate mark clearly with URGENT or EMERGENT.
- **Information related to COVID19 testing** is available on the following website:  
[www.saskatchewan.ca/COVID19](http://www.saskatchewan.ca/COVID19)
  - Please ensure diligence of referring to this information **before** any ECG, Echocardiography, Holter and Stress testing exams are requested to ensure stewardship of our resources.

**Safety | Accountability | Respect | Collaboration | Compassion**

With a commitment to a philosophy of Patient and Family Centred Care
