

Saskatchewan
Health Authority

Looking to train for a rewarding career?

Study Electroneurophysiology at the British Columbia Institute of Technology!

Saskatchewan Health Authority, in partnership with BCIT, is currently recruiting a Saskatchewan student for the winter 2022 intake of the Electroneurophysiology program. This diploma program is a two year, full time educational opportunity offered in Burnaby, BC.

Program Entrance Requirements:

Applicants must be Saskatchewan residents, and meet all BCIT entrance requirements. Proof of meeting these requirements must be available. Preference will be given to applicants with:

- Academic grades above the minimum requirement
- Two years of post-secondary education in a related field recommended
- Experience working in a patient and client centered environment preferred
- Attention to detail, organization, and interpersonal communication skills

Application Deadline: August 27, 2021
