

## Download and Open the myMobile App (Apple/iOS)

### 1. Open the App Store

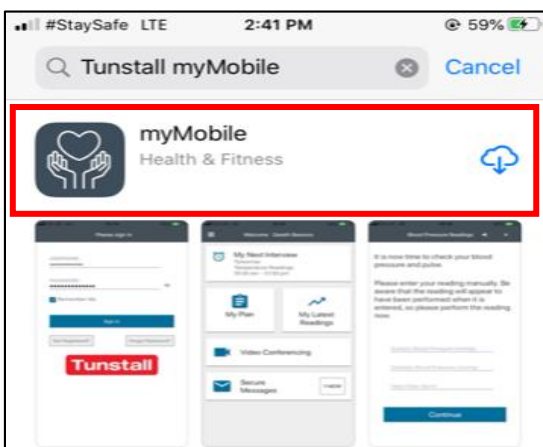

### 2. In the search bar, type **Tunstall myMobile**

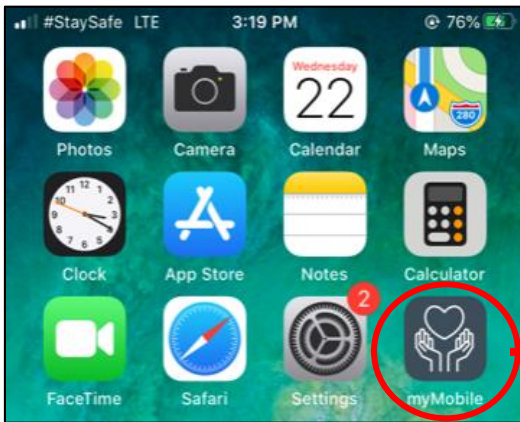

### 3. Download the myMobile app (it's free!)

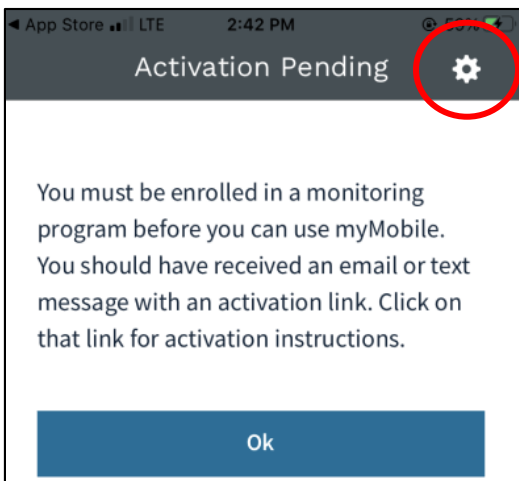

- *You may need to sign into your apple account before downloading.*

4. Open the myMobile app

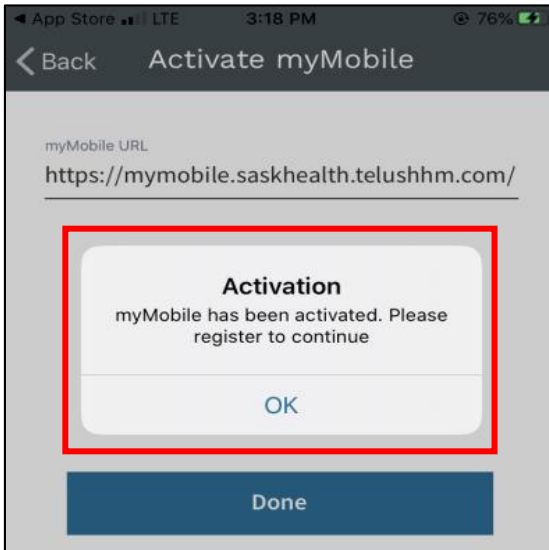

5. Click on the **gear icon** in the top right corner

6. Type **<https://mymobile.saskhealth.telushhm.com>** in the URL bar, then click Done.

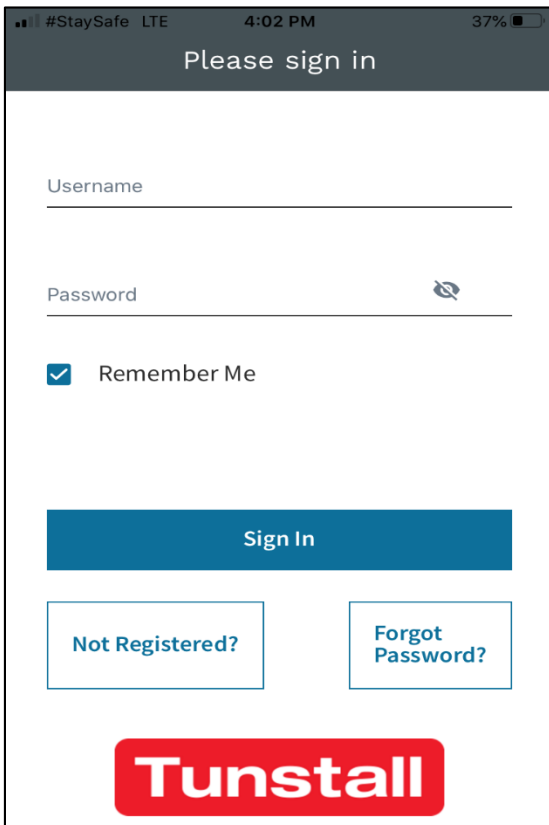

7. The app should say it is activated, then click OK.

8. Sign into your myMobile account

- *Not registered yet? Click **Not Registered** and use your unique PIN to create one.*
