

Victoria Hospital Project Updates

October 28/21

Read Time Estimate: 3 Minutes

Purpose of this document:

This Newsletter is intended to be shared at huddles to help keep the Victoria Hospital staff up to date with the Victoria Hospital Project. The update will be provided on the last Thursday of the month.

Highlights from this past month:

- On September 30, the local Victoria Hospital Project Management Team acknowledged the national day of Truth and Reconciliation with activities focused on gaining knowledge of residential schools and the effects of the generational trauma it has caused. The team travelled to the site of the signing of Treaty 6 for a comprehensive tour to enhance our knowledge and provide opportunity for deeper reflection.
- The team welcomed Arnette Weber-Beeds as the Prince Albert Grand Council (PAGC) representative for the Victoria Hospital – Project Management Team (PMT)
- September 10, PAGC Subcommittee meeting.
- September 21, Senior PAGC Committee meeting.
- Continued review of the future state staffing model by the Saskatchewan Health Authority and the Ministry of Health.
- Collaborative staffing model reviews of the Victoria Hospital Therapies, IMIT, Digital Health, and EHealth departments.
- Engagement with leadership from the Anesthesia, Perioperative, Maternal Care, and Ambulatory Care departments to review proposed design efficiencies.
- Preliminary meeting with Ronald McDonald House Charities team to discuss potential future expansion options for Prince Albert.
- Working with the Physician Resource Planning Team to review future state Physician resource strategies.
