

Getting Your Proof of Vaccination From MySaskHealthRecord

What you will need to register for MySaskHealthRecord (MSHR):

EMAIL ADDRESS

HEALTH CARD NUMBER

SGI ID NUMBER

TIPS BEFORE YOU START

Registering works best on a computer or laptop rather than a phone.

Email addresses cannot be shared between MSHR accounts.

Your last name must match on health card & SGI ID.

Your name, address, and date of birth that you will enter to create your MSHR account, must match the information your health card currently has on file.

Parents and legal guardians can request their children (who are younger than 14 years) to be added to their MSHR.

If you are 14 years and older:

Register for MySaskHealthRecord

To Begin

1) Visit www.ehealthsask.ca/MySaskHealthRecord (there is a FAQ on this page if you have any questions)

2) Scroll down the page & follow the steps and instructions for:

Step 1—Create Account

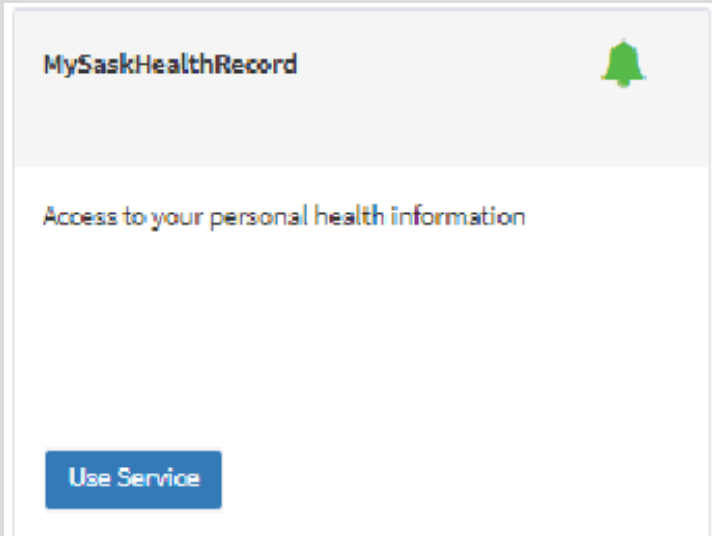

Step 2—Validate Your Identity

*Please note, it may take up to 24 hours for your health information to show up in your account

Once your MySaskHealthRecord account is ready and to access your proof of vaccination:

Log In, then

1) Once logged in, click "Use Service"

2) Click "View MySaskHealthRecord"

Tasks

MySaskHealthRecord
