**RE:** Regina Area Laboratory Medical/Scientific Leadership structure

---

Dear colleagues,

It is with great pleasure that we announce the Regina Area Laboratory Medical/Scientific Leadership to support our scientific areas of expertise within our Provincial Program. These individuals will serve as dyad partners with our operational managers, and support us in our roles as Area Department Lead/Medical Director and Administrative Director of the Regina Integrated Service Area Laboratories as well as supporting our Provincial teams within their respective expertise.

Biochemistry and Toxicology: Dr. Ramesh Saeedi and Dr. Viktor Skihar (co-leads)

Hematology and Transfusion: Dr. Donna Ledingham (interim, as ADL)

Microbiology and Public Health: Dr. Jessica Minion

Anatomical Pathology: Dr. Angus Kirby (interim)

Pre-Analytics and Clinical Pathology Education Coordinator: Dr. Viktor Skihar

We would like to thank all of these excellent colleagues who have accepted our leadership Dyad roles and support for our Provincial Program. We are lucky indeed to work with such a fine team.

Wishing all a restful holiday season, and a prosperous 2022!

**Safety | Accountability | Respect | Collaboration | Compassion**

With a commitment to a philosophy of Patient and Family Centred Care
