

2022 Nursing Graduates

Did You Know?

Nurse Graduate Survey

- Survey is open! The earlier you submit your survey responses, the better chance you have of being hired into your preferred location.
- You can be matched with your preferences and interviewed for future opportunities and do not have to commence employment right away.

Seniority & Benefits

- SUN Seniority is based on hire date and will start to accumulate when you commence employment in a Registered Nursing position.
- The Saskatchewan Health Authority (SHA) provides an extensive benefits package including a defined pension plan, group life insurance, disability income plan and enhanced dental & extended health benefits.
- All new employees are assessed for Dental and Health Benefits following a 26 week waiting period.

Licensing Exam

- You can work as a Graduate while waiting to write your licensing exam.
- We provide flexibility to allow you to take time off to study and write your exam.
- You can start earning income right away as a Graduate in a variety of opportunities to suite your lifestyle (Full Time, Part Time, Casual).

License Reimbursement

- If hired as a Graduate Nurse, the SHA will reimburse you for both your graduate and full license fees.

Relocation Assistance

- We offer up to \$3,000.00 in relocation assistance if relocating for a Permanent PT or FT position (position eligibility will be considered based on organizational needs).

Northern Incentives

- If you choose to work in a qualifying northern community, there are additional northern incentives available.
- SGEU: Annual Retention Bonus \$1,900.00- \$3,800.00 (dependent on location), bi-weekly northern allowance \$94.00 - \$225.50 (dependent on location).
- SUN: Annual Retention Bonus \$1,900.00 - \$4,200.00 (dependent on location), bi-weekly northern allowance \$98.00 - \$235.50 (dependent on location).
