

# Provincial Long Term Care Partnership Council

## Key messages - December 2024

#1

Provincial Executive Director update was provided to highlight LTC projects and priorities.

An announcement was made regarding the newest member from the North. New member Bio was shared and all members participated in a team building activity.

TOR were reviewed. Next steps to vote and adopt changes that were made.

#2

19 LTC Homes' Resident and Family Councils were surveyed. Themes are emerging from the surveys. Next steps will be to compile results and develop tools and resources to support all Homes across Saskatchewan with their councils.

#3

The Language Matters document is ready for next steps. There will be a final review and key message developed to share in Leader Resources. Council also to identify external stakeholders the document will be shared with.

Next Meeting: January 28, 2025
