Name	Amount	Timeline / deadline	Link/application
<p>Farm to Cafeteria Canada Grants Program</p> <p>The grants provide schools with funding and training resources to apply a farm to school approach to bring more local food into schools. Ideas include:</p> <ul style="list-style-type: none"> • Implement a meal service, such as a salad bar. • Allow students to experience hands-on food literacy activities and engage with the food system in their school community. • The goal is to see more students and school communities engaged in growing, purchasing, harvesting, cooking, serving, learning about and eating....<i>Healthy, local and sustainable foods at school!</i> 	\$10,000	New grant cycle 2026 dates TBD	www.farmtocafeteriacanada.ca/our-work/farm-to-school-grants
<p>Dig In! Seed Grants (in partnership with the Schad Foundation)</p> <p>Seed Grants provide schools with access to funds, knowledge and inspiration to ‘Dig in’ to farm to school by making small, positive changes in their school food environments. They are best suited for schools that are looking to get started, although schools that have an existing project that could use a boost are also eligible to apply.</p> <p>These grants are intended to help improve school food environments by increasing access to healthy, local and culturally appropriate foods in schools and/or improve opportunities for hands-on learning through food and food systems.</p>	\$500-\$3,000	Grant currently closed. Typically opens September to October.	Seed Grants - Farm to Cafeteria Canada
<p>Farm to School Learning Circles / Learning Lab</p> <p>An 18+ month process to build, strengthen and/or expand collective farm to school or local food to school efforts within a local community. Individuals, organizations and school representatives across the local food system come together, create a common vision and identify short-term goals unique to the community’s needs. As a community of practice, they address systemic barriers to get fresh, local, and sustainable food on the minds and plates of students. The term “Learning Circle” reflects the open, collaborative and community-led nature of this work and how it is grounded in local knowledge, traditions, and culture. A coordinator supports the work of the group.</p>	\$50,000-70,000	Contact to learn key timelines.	Farm to School Learning Circles - Farm to Cafeteria Canada Contact info@farmtocafeteriacanada.ca if interested in learning more
